TERMS OF REFERENCE

Individual Consultancy Service
Energy Project Assistant

Procurement Number: AFREC/PRO/04.24
I. Background

The African Energy Commission (AFREC) is a Specialized Technical Agency of the African Union (AU) under the African Union Commission (AUC) which was created by the African Heads of States and Governments’ Decision in 2001 at the 37th Summit of the Organization of African Unity (OAU) and officially launched by the African Union Ministers in charge of Energy in 2008 in Algiers, Algeria.

In exercising its mandate, the African Union (AU) Specialized Technical Committee on Transport, Transcontinental and Interregional Infrastructure and Energy (STC TTIE) approved eight (8) strategic programme pillars for implementation by AFREC, these include:

- African Energy Information System
- African Energy Transition Programme
- African Energy Efficiency Programme
- Oil and Natural Gas Programme
- Capacity Building Programme
- Bioenergy Modernisation Programme
- Clean Cooking Programme
- Renewable Energy Programme

In its effort to implement these programmes, AFREC is currently looking for an individual consultant to support the Division of Policy Strategy and Support to carry out key energy assignments.

II. Objective

The overall objective of this consultancy is to support the Division of Policy Strategy and Support in the preparation and execution of the annual activities.

III. Specific Tasks

The consultant will:

- Liaise with African Union Member States, Regional Economic Communities (RECs), Pan – African Institutions, International Organizations, think – tanks and any relevant stakeholders on relevant matters on AFREC’s programmes and assist in ensuring coordination and collaboration at all levels.
- Assist on the preparation of reports, budget and work programmes related to the functions of the Division.
- Assist in preparing policy briefs, studies, researches, reports and case studies related with AFREC’s Programmes.
- Assist in providing analysis and information in a timely manner for the Division and AFREC’s internal and external uses.
- Assist in organizing workshops, conferences, meetings and seminars including drafting of concept notes, speeches and meeting reports.
- Assist in promoting the activities of the Division including preparing leaflets, guidelines and fact sheets as may be required;
- Assist in preparing budget and work plans related with AFREC’s programmes as well as reports related to the functions of the Division;
- Assist in any other related duties assigned by the Head of Division.

IV. Deliverables

The consultant is expected to submit monthly report of the tasks performed and updated work plans.

V. Qualifications and Experience

OR

VI. Competencies, skills and requirements
